MC. HUTCHISON & CO SOLE AMERICAN AGENTS

17, Murray-Street — NEW-YORK

TERMS

All **Invoices** are payable three months from date to the order of my American agents Messrs **Mc Hutchison & Co 17 Murray-Street New-York City.**

A discount of 3 % will be allowed on invoices paid within 10 days of receipt of shipment.

$\frac{1}{2}$ % per month interest will be charged if accounts are not settled within the 3 months from date of invoice.

CONDITIONS

All shipments travel at **buyers risk.**

While I shall exercise the **greatest care** in **packing** and selecting, I can under no circumstances assume any responsibility for **damage** in **transit.**

No complaints entertained unless made within 10 days of receipt of goods to Messrs Mc. Hutchison & Co 17 Murray-Street New-York.

No complaints accepted for any **delay, damage** or **heating in transit** etc., as being entirely beyond my control.

I assume no **responsability** for **shortages** on orders of Plants and Bulbs, which may occur through the season, on account of weather conditions.

Should the size or variety asked for be exhausted or lacking in quality, the size or variety most approaching it will be supplied, unless specified instructions to the contrary are given.

I reserve the right to cancel orders through previously accepted, should financial reports of the customer prove unsatisfactory.

Packing is additional to these prices and is charged at cost of the cases and materials used.

All orders are accepted at my nursery only and delivery is taken there by the purchaser.

Send you orders early.

SHIPMENTS

Shipments (unless other instructed) are invariably made via the **Red Star Line** from Antwerp in care of Messrs M. Hutchison & Co, New-York, who will attend to the customhouse entries and prompt reshipment to the best advantage of my customers.

Ocean freight, duty, Marine Insurance etc. are additional and must be paid upon arrival of the shipment in New-York.

Hoping to be favored with a share of your patronage, I remain,

Yours very respectfully,

ARTHUR DE MEYER.

Araucarias

Azalea Mollis

Azalea Mollis is a native of Japon, one of our most beautiful shrubs for forcing or planting in groups. The flowers are larger and of more perfect form than those of the A. Pontica, and resemble in form and size those of the Indian Azaleas. Their gorgeous colors vary from yellowish white, rose, all shades of yellow to the richest orange.

STANDARDS

Fine standards assorted. 10 to 13 inch. diam. 2 to 2 1/2 feet high,
 well set with buds \$ 1 to \$ 5 each,

Hybrid Azalea Mollis

Quite new hardy Azaleas, flowers are larger than those of Azaleas Mollis. The period of flowering is between that of Azaleas Mollis and Pontica.

Their hardiness, vigorous growth, fine habit, luxuriant foliage and profusion of attractive flowers, render them one of the most beautiful of flowering shrubs in cultivation.
